WHO positions in the international Professional category are subject to mobility. Staff in this category may be assigned to any of the Organization's activities or duty stations across the world. If you are applying for a position in the international Professional category, are you willing and able to relocate if requested by the Organization? If no, or with reservations, please indicate why.

If you are applying for a position in the National Professional Officer or General Services categories, please select N/A. WHO positions in the National Professional Officer and General Services categories are subject to local recruitment and therefore the Organization's mobility policy is not applicable. Non-staff contracts are not subject to mobility.

Yes

WHO requires members of the workforce to be vaccinated as required by WHO and share a copy of their updated vaccination card as part of medical clearance. If you are not already vaccinated as required by WHO and you are the selected candidate, do you agree to be vaccinated or provide a medical basis for non-vaccination?

Please note that a WHO contract offer may be withdrawn, or a contract terminated with immediate effect, if a member of the workforce is not vaccinated as required by WHO.

Yes, I agree to the above
